CATHEDRAL OF ST. JOHNS THE EVANGELIST

Cleveland, Ohio

The original Cathedral cornerstone was laid in 1848, and the building finished in 1952. The Cathedral is 208 feet long, covering 15,000 square feet.
The Cathedral is the focal point of the entire complex including: the Rectory, Chancery, St. Johns College, and St. Johns Dormitory, (left, 1965).

Hi Kitty, We landed safely last night. It looks like it might rain, is very dry here. We had some rain in the Alegheny Mts. See you soon.
